Spectacular races at the Spring Meeting

The third day of the Spring Meeting and Food Ruck Show brought astounding races in Kincsem Park. Sprinters roamed the turf in Kőbányai Stakes – József Csekonics Memorial Stakes (Kőbányai Díj – Csekonics József Emlékverseny). The ace of Stall ESDE, Duce (2013 b h, Fuisse – Dame Blanche) left no doubt who rules the field and came home by two and a half length in the hands of champion jockey Stanislav Georgiev. The 2200-metre Bábolnai Stakes (Bábolnai Díj) was one by Uccellino (2013 g h, Ryan – Upperhand) by quite a surprise with Csenge Suták on board.

In Batthyány-Hunyady Stakes (Batthyány-Hunyady Díj), first leg of the National Gallop League, the favourites were left behind. Former Derby runner-up **Sárkányfű** (2013 drb g, Shaafi – Storm) prevailed after a fierce battle, due to the efficient and very strong ride he received from regional star Jiri Palik over a mile.

The most awaited classic Nemzeti Stakes (Nemzeti Díj – Hungarian 2000 Guineas) proved that the unbeaten **Tour To Paris** (2015 b c, Fuisse – Theoricienne) has no match in the Hungarian turf over a mile and smaller distances. The superb colt soon gained first position in the race with Slovakian champion jockey Jaroslav Linek and in the home stretch the couple were leading by multiple lengths. The gap was further growing until the finish line.

In the first classic of the year, Hazafi Stakes (Hazafi Díj – Hungarian 1000 Guineas) favourite **Medyna** (2015 drb f, Masterstroke – Makarie) came first. The French bred filly raced in Poland as a two-year-old, now she showed her talents in Budapest, Kincsem Park under guest jockey Bauyrzhan Murzabayev.

At the end of May, one of the most traditional races, Millennium Stakes (Millenniumi Díj) will be run in Kincsem Park over 1800 metres. A bare month afterwards, all superstar horses and jockeys of the region will be in the card at the Derby Festival, 1st July.

Transportation support for foreign trained horses in the Festivals

Kincsem Park offers a transportation support for foreign trained horses in all major Festivals of the season (4-6 May, 30 June-1 July and 7-9 September)

The amount of the contribution is EUR 100-300 depending on the country of departure.

Tour To Paris in the footsteps of Overdose

Unbeaten as a two-year-old, **Tour To Paris** (2015 b c, Fuisse – Theoricienne) won easily in his 2018 debut run in Count Rudolf Erdődy Memorial Stakes (Gróf Erdődy Rudolf Emlékverseny). For the remarkable fifth time, did the bay colt triumph almost effortlessly in Nemzeti Stakes, first leg of the National Gallop League, hence still maintaining a flawless career.

Following the ever successful tactics, Tour To Paris was lead to the front after leaving the gates and not for a single moment was owner Dr. Elemér Hammersberg contem-

plating, who is the strongest candidate for the trophy of the classic race, also for further goals to achieve. Since the era of world famous Overdose, no thoroughbred has seemed so promising and showed such talent.

Trained by Sándor Ribárszki, the steed will appear in the Derby Festival next time, not for the Blue Ribbon though. The management decided to reduce the distance and entered Tour To Paris in Tamás Flandorfer Memorial Stakes (Flandorffer Tamás Emlékverseny) to face with the best sprinters over 1200 metres.

Animal health rules for racehorses

Trotting

Zapato and Timoteo were starring the festival weekend

The first Saturday of May brought superb races for trotters in the Spring Meeting and Food Truck Show in Kincsem Park. The favourite stole the show in László Ferge Memorial Stakes, the first highlighted race for 3-year-olds.

Zapato (2015 b c, Frullino Jet – Diatomea PL) has already been a great promise as a two-year-old and there was no disappointment this time either. He turned from the front and gave no chance for his opponents, walking home, as it seemed, with the time of 18.8. The second and third places went to Zsozsoka and Zanebono who finished nicely. Owned by Csaba Dinnyés, trained by Tibor Hajnal, the colt is the leading figure of his age-group and is a very likely contender for the top events of the summer.

Timoteo (2012 b h, Abano As – Ghirlanda Aas) was literally playing with the field in both heats of Dr. Tamás

Borostyánkőy Memorial Stakes. In the hands of Veljko Mazsity, the faithful horse executed the race with flying colours. Stall Hico is in perfect shape as usual, its horses excel and win prestigious trophies one after the other.

The best old horses were entered into Lajos Matuczka Memorial Stakes. In the 1800-metre sprint race, **Underpaid Hanover** (2009 b h, Revenue – Up Front Lisa) took revenge for the fiasco in Kornél Pulay Memorial Stakes and with Imre Fazekas in his sulky he trotted home gloriously in 15.8., beating Part Two and Milliondollar Lux.

The also 1800-metre Lovasélet Sprinter Cup (Lovasélet Sprinter Kupa) for four-year-olds seems to be most exciting race of the spring at the end of May. Many class guests are entered from abroad for the first leg of the National Trotter League to get hold of the purse that is just shy of HUF 2.000.000.

Greyhounds

Greyhounds flashing on in Kincsem Parkban

After the April prelude, greyhounds played the major role on Friday evening, the first day of the Spring Meeting and Food Truck Show.

The first of the four races was run over 400 metres by the tearing dogs, featuring an old favourite. 4-year-old **Cody** self-assuredly beat his opponents scorching in the front from the start for trainer Attila Széplaki.

The novice Judy Jaxxon found no match in the 250-me-

tre sprint of Taylor Sky Stakes. The breathtaking event introduced trainer Gyula Szilágyi and trainer Lajos Bencsik, who coach the other two winners, Oregon and Daren respectively.

Greyhounds are the sweethearts of Kincsem Park visitors, many a thousand cheered the Hungarian superstars. In the following races the contenders of the 4th Hungarian Greyhound Derby will be introduced.

If the official racing record card (list of performances) doesn't arrive till the entry closing date and all entry fees and starting fee are not paid (or they are unable to confirm the transfer) till the deadline written in the proposition (condition of the race), in this case the entry is not valid and the entered horse loses his right to start in the race. The amount of entry fee paid after the deadline is the double of the entry fee paid on time. If more than 13 (all-weather course) or 16 (turf) horses are entered, those horses will firstly fall out which were entered after the closing date, then secondly the horses with the least total earnings in 5 last runs.

Please note, that for non-Hungarian trained horses, Kincsem Nemzeti Ltd. reserves the right to deduct 5% of the prize money won.
